BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED)	
GAS ADJUSTMENT FILING OF)	
MT. OLIVET NATURAL GAS COMPANY,)	CASE NO. 9918-SS
INC.)	

O R D E R

On August 10, 1987, the Commission issued its Order in Case No. 9918 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On January 10, 1990, Mt. Olivet Natural Gas Company, Inc. ("Mt. Olivet") notified the Commission that its fixed monthly demand surcharge was increased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective January 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment ("PGA") clause on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Mt. Olivet's notice of January 1, 1990 set out certain revisions in rates which Mt. Olivet proposed to place into effect, said rates being designed to pass on the wholesale increase in the fixed monthly demand surcharge from its supplier from \$255 to \$257

per month. Mt. Olivet also proposed an adjustment to its retail rates based on Transmission's tariff filing with the Federal Energy Regulatory Commission ("FERC") issued November 30, 1989, effective January 1, 1990. However, this adjustment was made in Case No. 9918-QQ.¹

(2) In calculating its proposed rates, Mt. Olivet incorrectly included the adjustments previously made in Case No. 9918-QQ. Correcting for this error reflects an increase of \$24 or \$.06 cents per Mcf.

(3) Transmission applied with FERC for increased surcharges to be effective January 1, 1990. Mt. Olivet requested a waiver of the 30-day filing requirement. Pursuant to KRS 278.180, upon Mt. Olivet's showing of good cause, Mt. Olivet's request should be granted. The effective date for the increase should be on and after the date of this Order. Transmission's rates are subject to refund; therefore, Mt. Olivet's rates should be subject to refund.

(4) The corrected adjustment in Mt. Olivet's rates under the PGA adjustment provisions approved by the Commission in its Order in Case No. 9918 dated August 10, 1987 is fair, just, and reasonable and in the public interest and should be effective with gas supplied on and after the date of this Order, subject to refund.

IT IS THEREFORE ORDERED that:

(1) The rates proposed by Mt. Olivet are denied.

¹ Case No. 9918-QQ, The Notice of Purchased Gas Adjustment Filing of Mt. Olivet Natural Gas Company, Inc., Order dated January 3, 1990.

(2) The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after the date of this Order, subject to refund.

(3) Within 30 days of the date of this Order, Mt. Olivet shall file with this Commission its revised tariffs setting out the rates authorized herein.

Done at Frankfort, Kentucky, this 31st day of January, 1990.
